PRICES AND CONDITIONS OF LETTING

Our letting season runs from the *last* Saturday of March to the *second* Saturday of November.

All lettings start on *Saturdays* and our rental charge is *£590 per week*, regardless of how many guests are staying.

A non-refundable deposit of 25% will secure your reservation, the balance being payable 8 weeks before your holiday begins.

Linen and towels are included in the weekly charge and are changed on Saturdays by Giorgetta, who also cleans the house on that day. Electricity, gas and water are included, as is wood for the fire, when seasonally appropriate.

The house provides spacious accommodation for 4 people, and a folding bed for a 5th is also available. We have a washing machine, iron and ironing board as well as all standard kitchen equipment. Also a specially selected library of CDs and a music system, not to mention an extensive and eclectic library of books.

Car parking in Castello is limited but we have one space marked for the use of No. 13. Our neighbours need their spaces too, so please stick to the one provided.

Please do not arrive before 3.00pm on your first Saturday, and please arrange to leave by 10.00am on the Saturday of your departure so that Giorgetta has time to prepare the house for the next guests.

If there is anything broken or damaged, either when you arrive or when you leave, please tell us or Anna so that we can deal with replacement or repair.

Please ring us to check your proposed dates, and then complete the Booking Form below and send it with your deposit (**payable to 'Mr M Wilson' in £ Sterling**). We will sign and return it to you as confirmation of your booking.

No. 13 Castello Booking Form – Please return with your deposit, payable to 'Mr M Wilson', to Mike Wilson at the UK address above.
